## Principal News

Dear Star Families and Friends,

I wanted to take this time to reassure you that we take every precaution to keep your children as safe as possible. We have been working with Deacon Charles Allen, a former Police Officer for the security division, to make sure we are taking all measures of safety into account. Our front doors are secured through an automatic locking system, and our front office manages the school surveillance. All visitors and parents must check-in. In addition, we have two types of drills that we practice. One is called a "Lockdown", and the second is an "Intruder" drill. We must continue to be alert and aware at all times, and our main goal is to keep our students safe while learning at school. Prayers to the community of Parkland Florida.

Have a blessed and safe weekend!
